

1. IDENTIFICATION	
JOB TITLE	Graphics Designer/Animator Intern
DIRECTORATE/UNIT	Corporate Communications Directorate
PHYSICAL LOCATION	Amref Health Africa, Nairobi
PERIOD	6 months

2. JOB OBJECTIVE

To Support the Communications Directorate in Graphics Design and Animation

3. REPORTING RELATIONSHIP

The Intern will directly report to the Acting Communications Manager

4. RESPONSIBILITY

WE ARE LOOKING FOR AN EXCEPTIONAL STORYTELLER OF WORDS AND PICTURES.

- A designer/animator - You will be in charge of all images fused with words that the public sees on print and screen. You will work as a part of the communications team that conceptualizes and executes visual ideas for Amref Health Africa.
- If you have animation skills combined with a good sense of graphic design.
- If you are a team player with excellent communication skills, quick to respond and receptive to feedback.
- If you are, in a word, brilliant. Then we need you.

Your responsibilities will include:

- Execute all phases of print production process —from concept to production in support of the communication department's initiatives
- Oversee and produce all print and web communication in support of Amref Health initiatives.

- Assess the needs of future projects and manage projects from start to finish, including schedules, budgets and implementation. •
- Establish, manage and maintain relationships with outside talent - illustrators, photographers, print production units, and other freelance crew as necessary. •
- Collaborate with the communication team on creative concepts throughout the production process, including script writing, storyboarding, shot lists and more.

5. QUALIFICATIONS

- A University degree in Graphics and Design;
- Experience using Adobe Creative Cloud software, including, Photoshop, Illustrator, InDesign, Flash and After Effects. Knowledge of 3D animation software will be an added advantage.
- Working knowledge of print production. Working knowledge of web production.
- Excellent project management, coordination, organizational, communication, and follow-up skills. Strong attention to detail.

6. COMPETENCES

- Strong interpersonal skills;
- Attentive to details;
- Able to deliver quality work within tight deadlines with minimal supervision;
- Hard working and results oriented;
- Strong communication skills
