JOB DESCRIPTION

We are looking for an innovative and results oriented Research Intern to join our growing team in Amref Health Africa in Tanzania. The Research Intern will work with the Monitoring, Evaluation, Research and Learning team and other members of programs teams to support guiding programs in the designing and implementation of operational researches i.e. protocol writing, data collection and analysis, write-up and submission to peer-reviewed journals, support presentation of abstracts and support dissemination meetings to advance Amref Health Africa's visibility mission in Tanzania.

KEY RESPONSIBILITIES

- Support research activities as laid out by primary researchers
- Support qualitative and quantitative data collection activities
- Maintain accurate records of interviews, safeguarding the confidentiality as per the research protocol
- Translate and transcribe qualitative transcripts
- Conduct statistical analyses of data sets
- Prepare graphs and spreadsheets to portray results
- Create presentation slides and posters to help researchers present findings
- Review print and online resources to gather information
- Check facts, proofread, and edit research documents to ensure accuracy
- Support drafting of research reports and briefs
- Maintain research equipment and supplies
- Maintain research budget as required

REQUIREMENT AND QUALIFICATION

- Bachelor's Degree in Environmental Health, Public Health or equivalent. A Master's Degree is an added advantage
- Proficient in written and spoken Swahili and English (intermediate/advanced),
- Qualitative research experience, mainly focus group discussions
- Analysis experience with qualitative software (Atlas.ti and Nvivo)
- Quantitative data gathering and analysis
- Community-based methodology research experience
- Productive when working with minimal supervision
- Experience in Waste Management Implementation/Research is an added advantage
- Ability to learn new processes (Black Soldier Fly waste treatment and densification systems for example)
- Creative, problem-solver, and critical thinker
- Available full time and flexible to work with conflicting time zones

SKILLS AND COMPETENCIES

- Demonstrated strong writing, editing and communication
- Detail-oriented, flexible, and able to handle multiple concurrent tasks.
- Able to work independently as well as part of a team.
- Excellent interpersonal and communication.
- Results Oriented
- Quick learner willing to go the extra mile to achieve deadlines.

HOW TO APPLY

How to apply Please visit our website <https://amref.org/vacancies/>

If you meet the criteria given above and interested in the opportunity. You will be directed to our online portal where you will need to create an account in order for you to be able to submit your application. Your application should include a cover letter detailing why you are the best fit for this position and your CV with relevant skills and experience. Closing date: June 30, 2022. Please note that only shortlisted candidates will be contacted

Duly note that Amref Health Africa does not require applicants to pay any fee at whatever stage of the recruitment and selection process.

Amref Health Africa is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff to share this commitment.

Amref Health Africa is an equal opportunity employer and has a non-smoking environment policy.
