### **CALL FOR EXPRESSION OF INTEREST FOR THE PROVISION OF AN E-LEARNING LEADERSHIP PLATFORM FOR AMREF HEALTH AFRICA**

Amref Health Africa is a leading health international non-governmental organization founded in 1957 as the Flying Doctors of East Africa, providing critical health care to remote communities in Kenya, Uganda and Tanzania. The organization has since grown to become the largest Africa-based international health development organization. Amref Health Africa through the Amref Leadership Academy embarked on a deliberate effort to provide targeted and differentiated leadership development interventions to meet the varying developmental needs of all cadres of staff. We continuously strive to identify programs that will equip and challenge our leaders.

In this regard, following the successful utilization of the various e-learning platforms at the Amref Leadership Academy and with the new Amref Corporate Strategy (2023 - 2030) there has been a recent demand from staff to add more technical courses and additional leadership and managerial courses to meet the emerging needs aligned to the new strategy 2023-2030.
