Amref Health Africa was founded in 1957 and has since grown to become the largest African-based international health development organization, currently implementing more than 120 programs, directly reaching more than 12 million people across 35 African countries. Headquartered in Nairobi, Kenya, Amref Health Africa has offices in ten countries in Africa and an additional eleven advocacy and fundraising offices in Europe and North America. In the spirit of Ubuntu, partnership and networking are key elements of our approach. Amref has a staff complement of over 1,500.

Amref Health Africa is driven by its vision of ***'Lasting health change in Africa'*** and its mission ***'To catalyze and drive community-led and people-centered health systems while addressing social determinants of health'***. We believe that the power to transform Africa's health lies within its communities, and therefore strive to ensure that health systems are not only functional but that communities are empowered to hold these systems accountable for the delivery of quality and affordable health care.
